2 of 2 review helpful Great guide By Marcela Nowak I used this guide to plan a hiking trip to Grand Canyon with my

father I love the first chapter of the book which describes the canyon's history climate and geology. The book focuses on to the trails most of which are outside the main corridor of visitors. It was pretty challenging to hike trails described there. I could easily find a trail. This comprehensive guide features detailed descriptions all of the park's developed trails. nbsp; which number nbsp; fifteen hikes nbsp; on the South Rim and thirteen hikes on the North Rim. From the Back Cover Lace up your boots and sample twenty eight of the finest trails at one of the world's greatest natural wonders. Hiking Grand Canyon National Park provides firsthand descriptions and detailed maps for all of the developed tra
