1 of 1 review helpful Very comprehensive and helpful guide By D M Castro This guide is amazing I'm new to hiking and was limited with what material I initially could find to help me pursue my new hobby in my area and after some research I purchased this book. The author of this book did an amazing job to get as much detail and information about the trails written about. She also gives such great background and The authoritative guide to trails in the Tucson, Rincon, Santa Catalina and Santa Rita mountains. Thirty four hikes grouped by mountain range are rated from easy to difficult. Using the Tucson Hiking Guide is a pleasure. Directions are clear and extremely specific yet this precise information is engagingly presented in a pleasantly readable and humorous style. Tucson Sierra Club
