By Christian Probasco : Highway 12 the dwight d eisenhower national system of interstate and defense highways commonly known as the interstate highway system interstate freeways or simply the division of traffic operations road information area maps before driving check with the caltrans highway information network chin 8004277623

Highway 12:

2 of 2 review helpful A good overview and guide to an extraordinary region By R M Peterson Utah Highway 12 extends from Bryce National Park to Capitol Reef National Park and it skirts the northern edge of Grand Staircase Escalante National Monument In the words of author Chris Probasco the land to the south of Highway 12 is the most broken up inaccessible intractable inhospitable country on the face of the earth Highway 12 is undoubtedly one of not only America's but the world's most scenic highways From its intersection on the west with Highway 89 south of Panguitch Utah it runs up through Red Canyon onto the Paunsaugunt Plateau and across Bryce Canyon National Park It then drops into the Paria River Valley passes through several tiny villages crosses some extraordinary for anywhere but this region badlands and descends the Escalante River into Potato Valley Wh Interesting throughout and quite well conceived Edward A Geary author of The Proper Edge of the Sky The High Plateau Country of Utah
