1 of 1 review helpful The best photos of desert wildflowers anywhere By Customer Some of the shots in this book are so good that I keep picking the book up and paging through it mainly to try to understand how Ulrich got the lighting depth of field and colors so perfect 1 of 1 review helpful Bought as a gift By JR I bought this book as a gift and it was very well r The great expanse of the Colorado Plateau reveals to those who take a closer look a colorful rock landscape rich with thousands of flowering plants many of them found only in the plateau and canyon country In this collection of color images landscape photographer Larry Ulrich explores an astonishing spectrum of wildflowers from deeply etched canyons and intimate shady niches to sunny rock gardens and lofty wind swept plateaus About the Author

Larry Ulrich is one of the country's most published photographers. His images have appeared in Audubon, Sierra, Wilderness, National Geographic, Arizona Highways, and Newsweek, among others. Susan Lamb began her career as
