hikes are described on this website along with over 1000 pictures to help you choose your days there is a hike for everyone in sedona; some are breathtakingly beautiful with panoramic vistas others wind through steep canyons
Hiking Phoenix: Favorite Day Hikes:

1 of 1 review helpful Yay Cosmic Ray By Emily I m on the plus side of fifty and though I have loved traveling in the Southwest all my life hiking is a new passion for me ignited by a recent trip to Southern Utah and its wonderful National Parks So when I began searching for books about local hikes Cosmic Ray caught my eye I love his accuracy his honesty his humor and his obvious love of the subject matter I ve Newest in a series of popular outdoor guides by Cosmic Ray Hiking Phoenix details 50 of the best of the best day hikes in and around Phoenix Clear bold easy to read and down to earth maps will connect you from freeway to trailhead and then guide you along the way as you explore the desert trails The hikes are for all levels of ability The accompanying verbal descriptions include a quick view contour profile showing elevation change over distance so you can see w Enjoyable accurate and down to earth Hiking Phoenix is great for beginners Seasoned hikers will also find it entertaining and informative The Arizona Republic February 19 2004
