8 of 8 review helpful Finding something new to say By A Customer Writing about Oak Creek Canyon can be like writing about the Grand Canyon it is difficult to find something that has not been said Lawrence Cheek is one of the

finest writers I have read he not only covers his subject seamlessly but reading his work is a pure pleasure for the language He is erudite without ever being stuffy descriptive without being Sedona Calling explores ways that visitors can connect with the red rock country's extravagant landscape from sight seeing hiking and photography to meditation This is heart stopping achingly beautiful ineffably alluring land writes author Lawrence W Cheek It should have been roped off as a national park back around the time of Teddy Roosevelt saving it from the desultory development that even many resident Sedonans lament today In a perfect world no About the Author Lawrence Cheek is a freelance writer editor and photographer specializing in the American Southwest and Pacific Northwest His Arizona Highways books include A.D. 1250 Ancient Peoples of the Southwest Photographing Arizona and Scenic Sedona
