0 of 0 review helpful Great Value By Sylvester I have found all of the Fodor's guides very helpful and greatly add to my enjoyment of my trips. The maps and descriptive material are excellent. My one criticism is that the detailed maps do not tie in together very well. There ought to be some additional maps showing the areas between the ones portrayed in the detailed maps of the main tourist areas so that one can more easily plan your Perfect TRIP. Full color guide book. Make your trip to Provence and the French Riviera unforgettable with illustrated features: 24 maps and 200 color photos. Customize your trip with simple planning tools. Practical advice for getting around. Convenient overview of each region and its highlights. Easy to read color regional maps. Explore Avignon, Aix, the Riviera, resorts and beyond. Discerning Fodor's tips from Fodor's Provence the French Riviera 9th Edition. Click on the photos below to download printable guides from the travel experts at Fodor's PDF.
