5 of 5 review helpful not exactly what I wanted By eyoremorris Although this book delivers all the usual great details that Fodors excels at giving the section on the Grand Canyon was much smaller than I expected considering that it was part of the title It s a great overall guide to Arizona but if you re looking for details about visiting and touring GC another book devoted to only that subject might serve you better Fodor rsquo s For Choice Travel Experiences Fodor rsquo s helps you unleash the possibilities of travel by providing the insightful tools you need to experience the trips you want Although you rsquo re at the helm Fodor rsquo s offers the assurance of our expertise the guarantee of selectivity and the choice details that truly define a destination It rsquo s like having a friend in Arizona bull Updated annually Fodor rsquo s Arizona a In terms of comprehensiveness of coverage the very accessible format and the enthusiastic tone this series remains one of the best on the market ndash Booklist nbsp Fodor s super informative guidebooks are known for accuracy and attention to detail
