0 of 0 review helpful Gazetteer By Columbus I haven't read this but my husband is reading it. He says that it is very interesting. We are originally from that area so he can follow it along. The writers of this gazetteer are relatives of mine which is why I bought it. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain.
