**By Bill Weir : Moon Handbooks Grand Canyon** blm handbooks the bureau of land management handbooks provide detailed instructions for implementing the policy and direction described in the blm the grand staircase escalante national monument is a us national monument protecting 1880461 acres 760996 ha of land in southern utah there are three main Moon Handbooks Grand Canyon:

4 of 5 review helpful Perfect guide By Andrew Parker this book is probably the best guide book I have ever used It has

really good info It has information on both rims of the canyon and some surrounding areas of Arizona It has a useful metric standard conversion table in the back Bill Weir writes like an expert The book will make you an expert on the grand canyon Not only does it contain tourist information but it also From hiking down isolated back roads in the North Rim to river running down the Colorado River and venturing off on urban day trips Moon Handbooks Grand Canyon is the guide to the best that the area has to offer both on and off the beaten path Practical information includes suggested travel strategies and lists of must see sights plus essentials on dining transportation and accommodations for a range of budgets Complete with color photos illustrations The latest in the batch of Moon Handbooks releases proves again that Moon is one of the finest travel series around What sets Moon apart from most guidebooks is the attention to detail and more importantly a respect for the topic
