2 of 2 review helpful Helpful for Tourism By Megan Stewart It's good for a list of places to visit for your first time of what to see on your first trip to the area Good for tourists 29 of 33 review helpful Hidden Arizona Including Phoenix Tuscon Sedona By JB Wynne The only things hidden in this book are the few and far between listings for places that can't be found Hidden Arizona perfectly epitomizes the Hidden travel guide philosophy The author covers with great detail and a discriminating eye the popular spots witness large sections dedicated to the Grand Canyon Phoenix and Sedona but also tells of hidden spots just down the road that travellers would overlook or skip were it not for the guide's detailed descriptions and specific recommendations The Hidden guidebook series hot peppers its pages with little arrows that point to a multitude of off the tourist track sites About the Author Stephen Dolanski has been a professional travel writer and editor since 1982
