0 of 0 review helpful Tell Mac to put the full stratigraphic section in the next edition please hellip By dougthegeologist  
I have a PhD in Geology I was looking to this to help me follow the geology during a rafting trip in the Colorado It  
helped for general strata but I was stunned that there was no full stratigraphic section in the fold out 2 of 3 review  
helpful Much less than meet The What s that guide to wildlife identification now revised with a new compact size that  
really does fit in your pocket About the Author Stewart Aitchison is a zoologist and geologist by training and a
