**By Globetrotter : Cuba Travel Guide** travel guides starting at 2499 ready to go get to the heart of cuba with one of lonely planets in depth award winning guidebooks gorgeous beaches fascinating history and some of the liveliest people youll ever meet await at this island the largest in the caribbean from the bright Cuba Travel Guide:

0 of 0 review helpful Cuba Globetrotter Travel Guide By Spider Monkey This Globetrotter guide to Cuba is a good but pretty basic look at this amazing country It has a brief section at the front looking at the History Art and Culture of

Cuba before looking at specific regions in greater depth The section on Havana is quite good and has plenty of sight seeing suggestions and the other regional chapters show how diverse The largest island in the Caribbean Cuba is a beautiful country its diverse landscape ranging from miles of sandy palm fringed beaches to semi tropical jungle from desert to mountain forests For years associated with Castro communism and cigars Cuba s often turbulent history combined with the Caribbean sunshine and the hospitality of the Cuban people offers the visitor a fascinating holiday destination This guide introduces the reader to the island s history From the Back Cover Practical informative and user friendly this Globetrotter travel pack highlights all the major places of interest describing their principal attractions and offering sound suggestions on where to tour stay eat shop and relax
