0 of 0 review helpful Overview of the AMC High Huts By PA Reader This book gives a good overview of the AMC high huts in the white mountains The author spends a lot of time on the geology of each hut area which is interesting but not really what I was most interested about I would like to have had more info on the history and stories about the huts themselves It does give a decent overview of all of them an This essential guide to the AMC hut system includes access trails local day hikes from each hut self guided nature walks and natural history From the Back Cover This edition features updated access trails descriptions of day hikes from each hut self guided nature walks with maps and an all new section on Crawford Hostel 4 1 2 x 6 1 2 256 pages
