3 of 3 review helpful For Canyon Addicts By Mike Carpenter For fans of Brad Dimock s books and The Emerald Mile I love and worked with several of these boatmen from 72 to 96 including Glen Canyon Environmental Studies Factor saved our bacon in Crystal by pushing our boat out of the tongue for the hole with his boat and then miraculously pulled in behind missing it himself he d been there too many times before Inclu An anthology of stories and artwork produced entirely by the river guiding community of Grand Canyon Often hilarious sometimes bittersweet and always entertaining these true tales tell the stories of a landscape a lifestyle and a unique community
