**By Richard K. Mangum, Sherry G. Mangum : Sedona Hikes** beautiful descriptive photos of moderate sedona az hikes information gps data descriptions and photos for nearly 60 hikes in the sedona red rock area there is a hike for everyone in sedona; some are breathtakingly beautiful with panoramic vistas others wind through steep canyons Sedona Hikes:

0 of 0 review helpful Sedona Hikes By Lee I've had several copies of this book and love it because the authors paid attention to detail in directing hikers to specific spots as well as describing what kind of views you'll have along the way. Well done. 0 of 0 review helpful Five Stars By kayla Very good book 0 of 0 review helpful Five St This book is the bible for Sedona hikers the one that knowledgeable people recommend. It contains detailed descriptions and maps that guide the reader to 135 day hikes around the Sedona area. The layout makes the hikes very easy to follow and the directions are precise, foolproof and reliable. You won't get lost if you use this book. There are also directions for finding five of the famous Sedona Vortex sites. The book contains eight pages of beautiful color photographs. From the Publisher A Reader From Palo Alto CA March 23 1999 Great description of day hikes in the Sedona Area. This is a wonderful book describing many day hikes in the Sedona AZ area. A number of people in the area said this was the best book for
