0 of 0 review helpful Great Book By John E Lincoln I've driven and camped along the Mother Road in the 50's and 60's so this was a journey down memory lane. The most memorable areas were in AZ so this book brought many of them back with pictures and descriptions as to how to get there. It was a high quality book, glossy paper but I bought it used in only fair condition. The authors descriptions of how to find the Let the Mangums steer you down Arizona's version of America's Main Street in this colorful and well researched book. This all color deluxe and comprehensive Route 66 book provides all the details Route 66 buffs crave. This is the ultimate Route 66 guidebook with color maps, scores of historic and modern photos and detailed descriptions for casual users and die hard roadies alike. This historic road is broken down into 13 separate tours, each one illustrated with maps, brings back the exotic flavor of the Mother Road as if it was 1926 and the road new. Arizona Daily Sun August 12 2001. The book is an excellent guide to discovering the history of the Mother Road as it ran across northern Arizona.
