0 of 0 review helpful Nice Insite By W Dietrich I grew up in wine country area went to college at Sonoma State and have lived in the city of Sonoma What I found most useful from this book is that it provides a little back story bio of each winery that it mentions Most people don t realize for every Kendall Jackson winery there are 5 that you have

never have heard of and these wineries are often family operations and Many wineries in Sonoma are large retail operations offering wines that you can buy just as readily on the shelves of your local store Often these are beautiful places and a part of the California wine tasting experience is sitting on marbled Italianate terraces overlooking acres of perfectly pruned vineyards basking in the warm sun and the intense loveliness of it all Just as exciting and but far more difficult to spot however are the small back lane wineries Oenophiles will enjoy this pocket sized guidebook with insight into small mostly family run operations that are mdash for the most part mdash unknown to the average visitor In addition to large color photos of the featured wineries and local landscape th
