By David Muench : David Muench's Arizona image licensing search from over 14000 outdoor stock images for over 50 years muench photography inc has been licensing publication rights for david and marcs company dba or respondent name David Muench's Arizona:

2 of 2 review helpful A fine compilation with several photos of great artistic merit By Tom Brody DAVID MUENCH S ARIZONA by David Muench is a large format 244 page coffeetable book of color photographs many of which have a high degree of artistic merit David Muench is distinguished in being the color equivalent of Ansel Adams If the torch of landscape photography has been passed from Ansel Adams to any person and if t A wilderness is supposed to be a place where Nature not man influences the landscape and biotic order But even in the wilds trails and other evidence of man s incursion remind us that legislation and decrees alone cannot keep areas pristine With more than 120 color photos and text based on a combined 70 years of exploring Arizona the author explains why we need wild places From the dust jacket
