14 of 14 review helpful The Supurb Photography of Gary Ladd By Alan W Roberts To those with an interest in the

Colorado Plateau more specifically the Grand Canyon the Lake Powell area the name Gary Ladd will be familiar He one of the finest Large Format landscape photographers in the southwest What is a little unusual is that he has devoted almost his entire career 30 yrs to a very specific area The Grand Canyon La Gary Ladd confesses I m not really so much a photographer as just a nosy soul interested in the canyons But Gary Ladd is far more than a mere observer For him photographing the wondrous and ever changing beauty of both the Grand Canyon and Lake Powell has become an obsession Ladd offers the best and freshest views of the famously beautiful canyons of the Colorado River He also comments on the natural forces that sculpt rock the techniques he used to photograph About the Author Ladd s photography has provided the visual backbone to Life Arizona Highways and numerous books including Grand Canyon Time Below the Rim which won the Publisher s Marketing Association award for best nature book Ladd has hiked and camped
