0 of 0 review helpful Simple and Beautiful Photography By Kathy Parker We presented this book as a gift to our son s Japanese foreign exchange hosts It was the perfect gift to showcase the beauty of the canyon and the area which our family lives Stunning photographs illustrate the Grand Canyon from rim to river Look out over panoramic vistas from the South Rim and North Rim and descend into the depths of the inner canyon where the Colorado River flows past walls of rock that tell a geologic story billions of years in the making
