From Grand Canyon Association : Grand Canyon Reflections grand canyon geology illustrated in a stratigraphic column flood geologists refer to the paleozoic layers as early flood fig 4 1 the grand canyon monument the adventure of a lifetime grand canyon river rafting trips with canyon ministries get up close and experience the evidence of the biblical global flood Grand Canyon Reflections:

The wonders of the Grand Canyon cannot be adequately represented in symbols or speech nor by speech itself said John Welsey Powell Though Powell's observation may be true Grand Canyon Reflections does capture the canyon in the words of some of its most eloquent visitors from famous canyoners like Edward Abbey to its lesser known guests such as Charles Higgins Interspersed with these quotes about the canyon are messages about the beauty of nature the importance
