1 of 1 review helpful Makes you want to go to Arizona By Lilacs and Roses I really enjoyed reading this book It is full of history geography archeology of Arizona As it is an old book which I love and the descriptions so wonderful I had to look up the places he was describing to see what they look like now even what they looked like then I really enjoyed the descriptions of the Grand Canyon I've been Originally published in 1905 This volume from the Cornell University Library's print collections was scanned on an APT BookScan and converted to JPG 2000 format by Kirtas

Technologies All titles scanned cover to cover and pages may include marks notations and other marginalia present in the original volume About the Author A prolific writer Joseph A Munk is famous for his unique work "Arizona Sketches" His all works show an apex of cohesive and pithy style and his love for the places is evident as he has described them meticulously
